ADMINISTRATION

PRINCIPAL'S MESSAGE

It gives me a great deal of satisfaction to bring greetings and best wishes to all school personnel and patrons of Eastside High School in this, the first Demon Yearbook.

It has been gratifying to witness the fine spirit of cooperation which exists at all levels here at Eastside. School personnel, students and patrons have exhibited a type of loyalty which is unquestionable

We hope and trust our students will make wise^{use} of time which they spend here and make every effort to bring credit to themselves and to the school. We believe that the peculiar atmosphere existing here will serve to create lasting impressions of humility, courage, scholarship, service and fair play. We are firmly convinced that all of us will be better able to make more worthwhile contributions to humanity because we will have spent some time at Eastside.

Affectionately yours,

O. B. Adams
